Dear Mr. Chew and Ms. McGurran:

I wanted to take this opportunity to express my sincere gratitude to Accountants Templates Inc. (ATI) for sponsoring the JAZZ-it! CA Student Recognition Award, and for selecting me as this year's recipient. I feel a deep honour and privilege in receiving this award, and am immensely grateful to ATI for this opportunity.

I must also apologize for the delayed nature of this letter. However, in addition to thanking you for establishing this award, I also wanted to thank you for the generosity of the scholarship that accompanies it. As a result of your generosity and commitment to the community, the full \$1,000 was donated to Four Feet Companion Foundation (FFCF), a charity in which I am involved. I wanted to take the opportunity to update you on the results of this donation, as the donation was recently included in a grant from FFCF to Bear Valley Rescue to rescue eighteen horses that were discovered starving in an impound lot in rural Alberta. Without the support of ATI, this grant would not have been possible; however, with your support, lives were saved.

I am inspired by ATI's commitment to the community, both in its support of numerous educational institutions, including the Institute of Chartered Accountants of Alberta, and by emphasizing the importance of community involvement. I thank you again for this opportunity and for your generosity to the community, both as an individual who was fortunate to receive this year's award and on behalf of Four Feet Companion Foundation.

Sincerely,

Daniela Montgomery
